

# The Very Hungry Caterpillar

extracts from the book by Eric Carle

One Sunday morning the warm sun came up and POP! Out of the egg came a tiny and very hungry caterpillar. He started to look for some food...

On Saturday he ate through one piece of chocolate cake, one ice-cream, one pickle, one slice of Swiss cheese, one slice of salami, one lollipop, one piece of cherry pie, one sausage, one cupcake, and one slice of watermelon.

That night he had stomach ache!
