This class is open to all children under 16 years of age. It is designed to test the knowledge you have of your pet, and the health and condition of your pet.

Part 1: You will be asked five questions by the judge about your pet.

Part 2: Any animal will be considered, your pet will only be judged on its health and condition and not on its superiority as a pedigree animal.

After completing the entry form, you will be given an exhibitors number. Judging will commence at 10.30 am at the Dog Show tent. Small children may be accompanied by an adult but should be allowed to answer the questions alone.

The Society would be grateful if both parents and children would remember that it is both cruel and dangerous to leave animals in cars on a hot day. Small caged animals may be left in the shade near the judging tent, but at the risk and responsibility of the owner.
